

CHARTWELL CARRIAGES

Dear [insert client name]

Thank you for your enquiry.

We have been driving specialised carriages for weddings, funerals, matric dances, religious ceremonies, films, advertisements and other events for 20 years. We use only the highest-level competition horses who are well-trained and immaculately turned out. We pride ourselves in our professional approach to adding both style and tradition to your function.

We offer the following options when available:

- Single horse-drawn carriages
- Pairs of matching ponies or horses

We will collect the bride (and the person giving the bride away) from the honeymoon suite or any other designated point. We will drive the bride to the ceremony where she will be dropped off. We will have a groom on hand to assist the bride getting in and out of the carriage at both points. We will wait outside whilst the service is conducted and then collect the bride and groom as they exit the ceremony. The carriage will drive the couple away (with a "Just Married" sign on the back of the carriage) to a designated area for photographs

Please find attached a quotation for the hire of the carriage, horse, driver and groom for your function. Please note the quotation is subject to the following terms and conditions:

- A 50% deposit is required to confirm your booking and the balance is due one month before the event.
- We operate on a first come, first served basis and your booking will only be secured once your deposit has been paid. We are unfortunately unable to reserve any dates until the deposit has been paid.
- The price quoted is for 2 hours from the time booked. Should you exceed the 2 hours, the additional cost will be R1000 per hour or part thereof which is payable within 7 days of the event.
- If you anticipate that the function *will not start on time*, the time can be changed on the day provided 3 hours' notice is given. The welfare of the horse is paramount and horses cannot be kept harnessed for lengthy periods.
